

With effect from 1st July 2013, the ROPME list of Approved Oil Spill Dispersants is as follows:

- Finasol OSR 51
- Finasol OSR 52 / Ecosperse 52
- OD 4000 (PE 998)
- Radiagreen OSD
- Super - dispersant 25

The existing stocks of Corexit EC9500A (for sea and beach, but not for rocky shore), Dasic Slickgone NS and NU CRU may still be used during the shelf life until they are exhausted.
